## **New Entrance Opened at John C. Tune Airport**

*New thoroughfare provides easier access to hangars and terminal*

NASHVILLE, Tenn.- A new entrance and road to John C. Tune Airport (JWN) have been opened, the Metropolitan Nashville Airport Authority (MNA) announced today. The new entrance provides easier access to the terminal for both transient and local clients, including the approximately 150 based customers who have aircraft at the airport.

The new, more direct and visible main entrance is located at the south end of the airport on Cockrill Bend Industrial Drive.

"The new location of the airport entrance provides greater ease for our customers at John C. Tune Airport," said Raul Regalado, president and CEO of the MNA. "The new road and entrance is yet another improvement for our general aviation customers, where the Nashville Airports Experience is extended every day."

### **Directions to New Entrance:**

- Interstate 40 West to Exit 204
- North on Briley Parkway approximately 1.6 miles to Exit 26B (Centennial Boulevard West)
- Travel approximately 1 mile on Centennial Boulevard West; Travel through stop light where Centennial Boulevard West becomes Cockrill Bend Industrial Drive
- Look for John C. Tune Airport entrance sign
- Turn right before the sign into John C. Tune Airport entrance; Follow road to the terminal

JWN is a general aviation airport located in west Nashville in the Cockrill Bend area. It serves the needs of regional corporate and private aircraft and is owned and managed by the Airport Authority.
